

WELCOME TO THE KIDS VILLAGE!

The kids' village is a simple and beautiful way for families and children to engage in the experience of the New York Encounter.

It is a place of encounters, where we introduce our children to something beautiful and greater than them that can capture their hearts.

The kids' village is open to all kids. However, the activities planned are recommended for kids ages 5 and older. Younger kids are welcome to play and color! Please remember that the kids' village is not a "drop off" place: children must be always accompanied by a parent/caregiver!
WE ARE LOOKING FORWARD TO MEETING YOU ALL!

SATURDAY 17th FEBRUARY

10.15am - 12pm: Reading, Arts & Crafts

Our friend Annalena Valenti, founder of MammaOca.com, a blog about children's books, fairy tales and the promotion of reading will introduce us to **PINOCCHIO!** Why do we want to reread Pinocchio?

Because life calls for a responsibility and provokes a lot of questions. And we want to ask these questions to Pinocchio! Throughout his adventures, Pinocchio learns valuable lessons about love, honesty, responsibility, and forgiveness. Are you ready for your adventure?
